

MEET THE TEACHER!

Mrs. Davelle Madden

Hi! My name is Davelle Madden. I will you be your child's Kindergarten Instructional Assistant this school year and I am so excited! I have a wonderful husband and three children (a 9th grader, 3rd grader, and Kindergartner). This will be my first year working with Kindergarten, I was previously the Instructional Assistant for 1st Grade. I know that this year will be full of joy and excitement. This is going to be a great school year!

I grew up in Zebulon, NC and have lived around this area my entire life. I have one brother; a nephew and a great-niece (although I would like to consider myself a little too young to be a great-aunt). I enjoy spending time with my family and friends, and when the weather is "just right," I don't mind taking trips to the beach.

I graduated from NC Wesleyan College with a Bachelor of Science Degree in Computer Information Systems. I also have my Master's In Educational Leadership.
